

*Guilt Free!*  
Montauk PTA  
**BOOK CLUB**

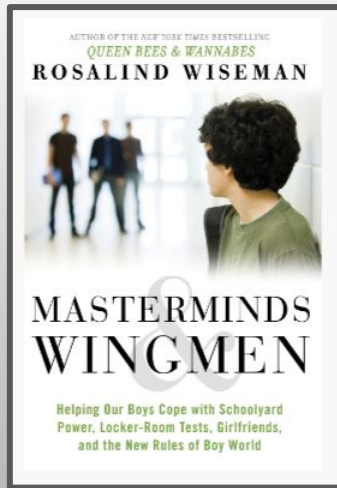

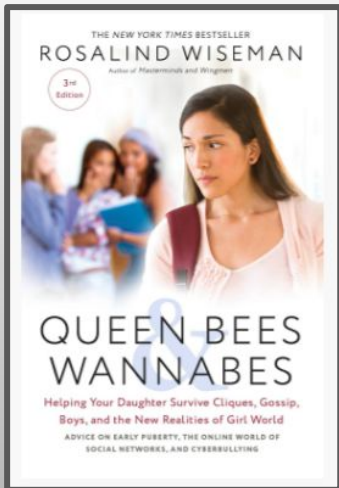

A Guilt-Free Book Club is an inclusive gathering where those who completed the book, those who got part way through and those who didn't even crack the cover participate in conversation.

We will always provide supportive resources such as weblinks, articles, and podcasts that allow for quick exposure to the book's ideas or a chance to learn more beyond the book.

For our January meeting we will be discussing books by Rosalind Wiseman that explore friendships, bullying, and social emotional health of girls and boys.
